MIMOS TECHNOLOGY PREVIEW

TECHNOLOGY Beyond BOUNDARIES

Advancing Malaysia's Technology Frontier

Tuesday, 29 September 2026
9:00 am – 3:00 pm

MIMOS Berhad
Technology Park Malaysia, Bukit Jalil,
57000 Kuala Lumpur, Wilayah Persekutuan

Welcome to MTP 2026

Welcome to the **MIMOS Technology Preview (MTP) 2026**, where Malaysian innovation moves beyond the laboratory toward industry, commercialisation, and the global markets.

Under the theme, '**Technology Beyond Boundaries: Advancing Malaysia's Technology Frontier**,' MTP 2026 brings together investors, financial institutions, industry leaders, government-linked companies (GLCs), technology innovators and strategic partners to discover technologies with real-world commercial potential.

More than a technology showcase, MTP 2026 connects innovation with investment, technology with industry, and ideas with market opportunities, creating pathways for collaboration, adoption and growth.

Discover what's next.
Explore what's possible.

Message from the **PGCEO**

Welcome to MIMOS Technology Preview (MTP) 2026.

MTP 2026 reflects our ambition to move Malaysian technology beyond the laboratory and towards greater industry adoption, commercialisation and global opportunity.

This year, we bring together the technology, industry and investment communities to explore what becomes possible when ideas are connected with the expertise, resources and partnerships needed to take them further.

MTP is a platform to discover technologies with real-world potential, engage with the people behind them, and explore new pathways for collaboration, growth and market impact.

We invite you to experience the MIMOS innovation ecosystem, discover what is being developed, and see what we can build and achieve together.

Dr. Saat Shukri Embong
President and Group Chief Executive Officer
MIMOS Berhad
